

EASTERN ILLINI ELECTRIC COOPERATIVE  
PAXTON, ILLINOIS

OPTIONAL INTERRUPTIBLE SINGLE-PHASE - SMALL USE  
RATE SCHEDULE NO. 18

Availability

Available upon application to all member/owners who agree to allow the Cooperative to interrupt all electric service for the period of time specified for all uses, including lighting, heating, and power, subject to established rules and regulations of the Cooperative. Service under this schedule to permanent installations requiring more than 75 kVA of transformer capacity or exceeding 200 amperes is subject to approval by the Cooperative on a case-by-case basis. Approval of the Cooperative must be obtained prior to installation of any motor requiring starting current in excess of 260 amperes.

Type of Service

Single-phase, 60 cycles, at available voltages.

Rate

Facilities Charge:

\$31.46 per month for service requiring 50 kVA or less of transformer capacity. For services requiring more than 50 kVA of transformer capacity, the facilities charge shall be increased at a rate of 50 cents for each additional kVA or fraction thereof required.

Energy Charge:

First 1,000 kilowatt-hours per month @ 13.8 cents per kilowatt-hour  
Over 1,000 kilowatt-hours per month @ 7.61 cents per kilowatt-hour

Minimum Charge

The monthly minimum charge under this rate shall be the sum of the Facilities Charge and the Energy Charges stated above.

Notwithstanding any provisions of this rate schedule with respect to minimum charges, the Cooperative may adjust the monthly minimum charge to assure adequate revenue for amortization of its investment in distribution facilities.

Utility Taxes

Any tax and fees levied on the Cooperative under the Illinois Public Utilities Revenue Act shall be added to the rates and minimum charges specified in this schedule. Any additional taxes that may be imposed by taxing authorities on the member/owner shall also be added to the above rates and minimum charges.

Notice and Period of Interruption

The Cooperative is not required to give notice prior to interrupting service. The period of interruption will be limited to 12 p.m. (noon) to 10 p.m., normally June 1 through September 15.

Additional Terms

1. Any member/owner requesting service under this rate shall pay a one-time participation fee and sign an agreement prior to the service being established.
2. The Cooperative reserves the right to limit the number of member/owners on this rate to the level required to meet its target of controllable load.
3. Concurrent use of this rate with any of the Cooperative's other interruptible or time-of-day riders, heating, air conditioning rates or water heating rates at the same account is not allowed.
4. The Cooperative shall have no liability to the member/owner and the member/owner shall assume full responsibility for any loss, damage or claim (including but not limited to product loss) by reason of any interruption, curtailment or restoration of service.
5. The member/owner shall stay on the rate for at least 12 billing periods.
6. The Cooperative reserves the right to limit the availability of this rate to services that can be interrupted by use of a two-way metering module.

Terms of Payment

The above charges are net, the gross charges being 5 percent higher. In the event the current monthly bill is not paid within 15 days from the date of the bill, the gross charges shall apply.

Effective with bills rendered on and after April 27, 2010.
