

15kW Generator Comparison

Features:	Briggs & Stratton	Generac/Guardian
Fully Automatic Start & Operation Rating	15,000 Watts	16,000Watts
Main Line Circuit Breaker	70-Amp	65-Amp
Surge Rating	18,500 Watts	NA
Engine Make & Model	B & G/Vanguard	Generac
Engine Displacement	895cc	992cc
Continuous Fuel Supply- Natural Gas/Propane	Yes	Yes
Weekly Exercise Mode	Yes	Yes
Contemporary Space-Saving Design	Yes	No
Durable Outdoor Enclosure- Automotive Paint	Yes	No
Computer-Friendly	Yes	No
Hour Meter Included	Yes	No
Limited Warranty	4-Year	3-Year
Sealed Battery & Charger Included	Yes	No
Installation Pad Included	Yes	Yes
Dimensions: (LxWxH)	48"x33"x31"	48"x24"x28"
Quiet Operation- Normal Operation (1/2 Load)	65dBA @ 7 Meters	68dBA @ 7 Meters
Lubricant- Full Pressure Lubrication	Synthetic Oil	Organic Oil
Economical Fuel Consumption @ 1/2 Load	1.34 Gal/Hr	1.58 Gal/Hr
Diagnostics Alerts w/ Remote System Status	8	4
Accessibility	3-Doors	1-Door
Engine Break-in Required	No (Factory)	4-Hrs/Oil Change
Transfer Switch Amp Rating @ 250 Volts	22,000	10,000
Weight	480 lbs	487 lbs
Site Survey	Yes	?
Certified Installer & Service "After the Sale"	Yes	?
Maintenance Agreement Available	Yes	?
Parts Stocking	Yes	?
Cold Weather Package Included	Yes	No
Upgrades for Increased Power Needs	Yes	No
Managed Power Capabilities- 25kW Equivalent	Yes	No
Overload Protection	Yes	No
Increased Energy Efficiency	Yes	No
Low Interest Financing for Cooperative Members	Yes	?

20kW Generator Comparison

Features:

	Briggs & Stratton	Generac/Guardian
Fully Automatic Start & Operation Rating	20,000 Watts	20,000Watts
Main Line Circuit Breaker	100-Amp	65-Amp
Surge Rating	28,000 Watts	NA
Engine Make & Model	B & G/Vanguard	Generac
Engine Displacement	993cc	91.5cu."
Air-Cooled	Yes	No
Continuous Fuel Supply- Natural Gas/Propane	Yes	Yes
Weekly Exercise Mode	Yes	Yes
Contemporary Space-Saving Design	Yes	No
Durable Outdoor Enclosure- Automotive Paint	Yes	No
Computer-Friendly	Yes	No
Hour Meter Included	Yes	No
Limited Warranty	4-Year	3-Year
Sealed Battery & Charger Included	Yes	No
Installation Pad Included	Yes	No
Dimensions: (LxWxH)	48"x33"x31"	71"x30"x36"
Quiet Operation- Normal Operation (Full Load)	68dBA @ 7 Meters	76dBA @ 7 Meters
Lubricant- Full Pressure Lubrication	Synthetic Oil	Organic Oil
Economical Fuel Consumption @ 1/2 Load	1.95 Gal/Hr	3.0 Gal/Hr
Diagnostics Alerts w/ Remote System Status	8	7
Accessibility	3-Doors	1-Door
Engine Break-in Required	No (Factory)	4-Hrs/Oil Change
Transfer Switch Amp Rating @ 250 Volts	22,000	10,000
Weight	600 lbs	776 lbs
Site Survey	Yes	?
Certified Installer & Service "After the Sale"	Yes	?
Maintenance Agreement Available	Yes	?
Parts Stocking	Yes	?
Cold Weather Package Included	Yes	No
Upgrades for Increased Power Needs	Yes	No
Managed Power Capabilities- 30kW Equivalent	Yes	No
Overload Protection	Yes	No
Increased Energy Efficiency	Yes	No
Low Interest Financing for Cooperative Members	Yes	?
