

AUTOMATIC START STAND-BY GENERATORS

	<u>PRICE</u>
7 KW, with 50-amp transfer switch	\$2,249
12 KW, with 100-amp transfer switch, ACCM & cold-weather kit	\$3,849
15 KW, with 200-amp transfer switch, ACCM & cold-weather kit	\$4,549
20 KW, with 200-amp transfer switch, ACCM & cold-weather kit	\$5,249
30 KW, with 200-amp transfer switch & ACCM	\$11,999
45 KW, with 400-amp transfer switch & ACCM	\$14,999

Adding the exclusive **Power Management System** can provide up to **40% more starting watts** by sequencing equipment according to your needs! This allows for a lower initial investment and lower gas consumption.

GENERATOR FEATURES:

- Generator includes pad mount (up to 20 KW), battery, oil, hour meter, and brushless alternator (computer friendly.) 30 & 45 KW models require a concrete pad.
- Briggs & Stratton generators include Sound Shield Technology (only 68 dB for the 20 kW model.)
- Diagnostic alerts are included on all models (except 7kw).
- All generators also include a 4-year limited warranty.
- The above pricing does not include professional installation, which consists of:
 - Installation of generator
 - Installation of transfer switch (within 2 feet of panel and 30 feet of inlet box)
 - Site-survey
 - Site clean-up
 - Final start-up inspection of system
- The optional maintenance agreement features an annual inspection of the generator. The agreement also includes:

• Electrical system check	• Fuel system check	• Oil filter replacement
• Battery system check	• Exhaust system check	• Spark plug replacement
• Engine inspection	• Transfer switch inspection	• Air filter replacement
• Lubrication system check	• Overall unit cleaning	• Oil change
• Cooling system check		
- Members of Eastern Illini may finance up to \$10,000 at 6.9% for 7 years for the generator purchase.
- Customer is responsible for making arrangements to provide gas or propane connections to the unit.
